What is Christian Nationalism? What is its influence in American social, cultural, and political life? As Christians, should we know about it? If you are interested in this topic and want to know more about how a Christian Nationalist perspective impacts our knowledge about God and neighbor, then plan to participate in a series of Wednesday evening conversations this Fall. Steven Lantz will lead using materials from Associated Mennonite Biblical Seminary Assistant Professor, Drew Strait along with key passages from the book, *Taking America Back for God*, by Andrew Whitehead and Samuel Perry. (You may want to purchase and read the book ahead of time for this discussion).
